[Welcome to Integralconsultant](#)

Integralconsultant is a management consulting firm.

Togheter with our clients we develop their strategy and their businessplan to become a Conscious Business. So they can create higher and lasting value, meet their current challenges and transform their organisation.

•

Scandinavia (and Holland) has the most Conscious people in the world. It breaks our heart that they still go to unconscious businesses because we havent put the right structure in place. A majority of the workforce has participated in self-development and leadership courses payed by the company or by them self. We belive that the majority of the CEO, CFO,...
